Languages

- Polish -native
- English - C1

Soft skills

- Troubleshooting
- Teamwork & Collaboration

Experience & Projects

IT Support Intern 10/2024 - 01/2025
Municipality Office of Bargłów Kościelny

It Support Intern

- Provided technical support (Helpdesk) to employees regarding hardware and software issues
- Configured workstations and installed operating systems
- Diagnosed and resolved the IT infrastructure connectivity and performance issues
- SQL database administration support

AI Log Analyzer & Security Ops 03/2026
Stack: Python, FastAPI, Docker, LLMs, SQLite, React

A system for real-time automated log analysis using local LLMs

- Implementation of an architecture based on 4 Docker containers
- Automated detection of SQL Injection and Brute-force attacks using Llama 3.2 model
- Implementation of Shared Volumes for data exchanges between logs and the AI
- Host Gateway communication enabling containers to access the local LLM API
- Github

Sytem Sentinel - Security & Integrity Auditor 02/2026
Stack: Python, Docker, Hashlib, Linux

A system auditing tool designed for real-time monitoring of file integrity and process anomalies

- Implemented a SHA-256 cryptographic hashing mechanism to protect source code from unauthorized modifications
- Real-time monitoring of active network ports and system process CPU usage analysis
- Github

JaworAI (SaaS AI Assistant App) 11/2025
Stack: React, Node.js, Express, TailwindCSS, PostgreSQL, Vercel

Developed a modern SaaS web application featuring an intelligent AI assistant with content generation capabilities

- Implemented a full authentication and user management system using Clerk
- Integrated AI API for dynamic content generation
- Implemented payment processing functionality
- Designed a fully responsive user interface
- Demo | Github

Education

WSB Merito University in Warsaw (part-time) 10/2025 - present

Bachelor of Engineering in Computer Science

CS50's Web Programming with Python and JavaScript 03/2025
HarvardX

Comprehensive course covering web application development using Python, React, and REST APIs

IT Technician *09/2021 - 04/2025*
Augustowskie Centrum Edukacyjne

Curriculum included programming (HTML, CSS, JS), computer networks, and databases

Interests

- Foreign Languages
